Please note – the membership “without boat” gives you the right to use club equipment, on club paddles, if it is available. You may need to book this in advance and OSKA cannot guarantee that there will always be enough boats available on every occasion.

As with most activities that utilise the natural environment, there are inherent hazards present in all types of paddling that can cause injury or death. OSKA assumes no liability for accidents that may occur in the pursuit of paddling activities.

- I agree that all paddling activities are undertaken at my own risk
